The Big Reveal

Maksym Sakharov

Co-Founder and Group CEO of WeFi

Highlighted Speaker

“Every once in a while, a revolutionary product comes along that changes everything. You are very fortunate if you get to work on just one of these in your career.”

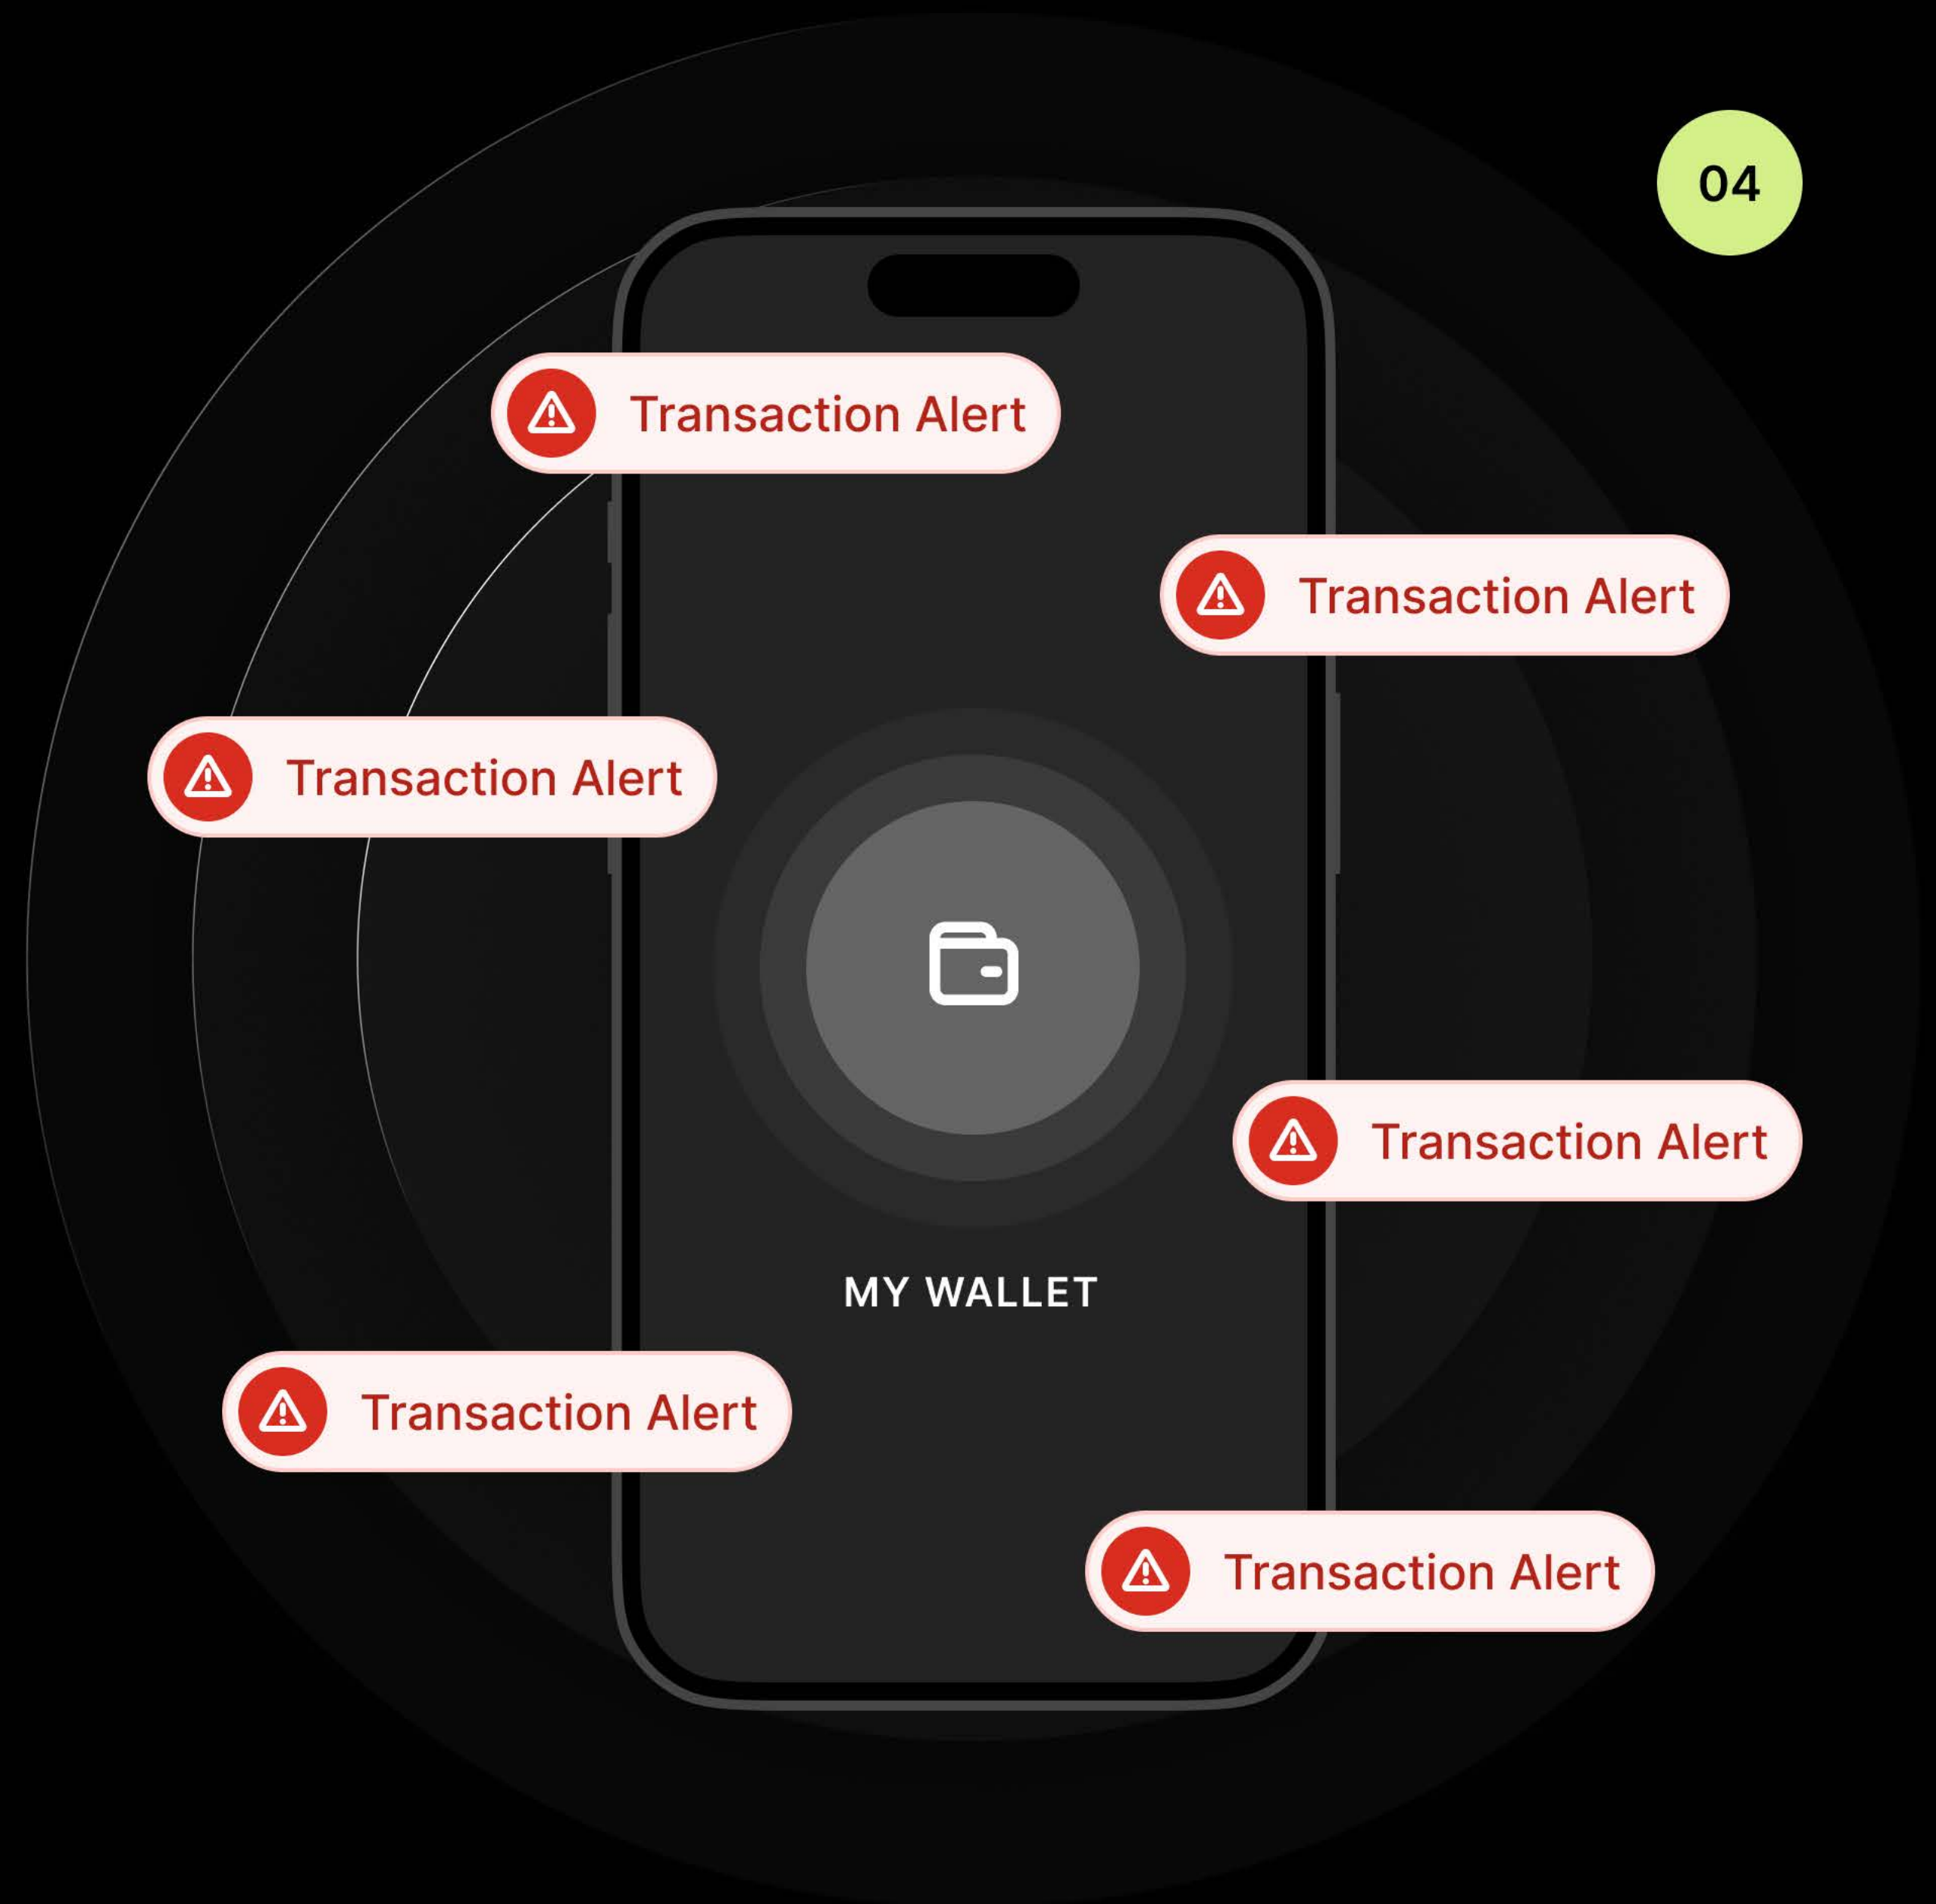

Steve Jobs

**We are building
a fortress where
you hold the key**

What if your money **vanished** in a second?

We need an emergency brake for our money.

FIAT

CRYPTO

Your money should feel safe, **not** **complicated**

- Full control of fiat AND crypto
- Safety without complexity
- Freeze and unfreeze your money instantly
